FACTORS (TIFs), THE PROTEINS
ENCODED, AND USED THEREOF

Examiner: P. Gambel

STATUS INQUIRY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

An amendment after final rejection was filed in this case on December 1, 2005.

All rejected claims were canceled, leaving only allowed claims pending.

Applicants have heard nothing from the USPTO since then, and inquire as to why this is so.

Please note that in addition to the facts set forth above, this application has been pending for more than 5 years, so it is de facto a "special" application, which according to the rules, is to be handled with special dispatch.

Application No.: 09/751,797

Docket No.: NY-LUD 5543-US3-CONT

An explanation for the delay, and when action is expected, would be appreciated.

Should it be more appropriate to discuss this with the Group Direct, it is requested that applicants be so informed.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0624, under Order No. NY-LUD 5543-US3-CONT (10027207) from which the undersigned is authorized to draw.

Respectfully submitted,

By 

Norman D. Hanson
